- **Transport remains** – Transportation of remains from one place to another, for example the hospital to Tranquility, or Tranquility to the crematorium or cemetery. An additional fee of \$250 may be charged if the use of two staff members is required for the initial removal from the place of death.
- **Basic preparation of remains** – (requires Facilities for preparation/embalming/shelter) The preparation of the body for placement into the casket, including bathing, dressing and the setting of facial features for identification or viewing without embalming.
- **Embalming of remains** – (In addition to basic preparation of remains) Embalming is the process of replacing blood and bodily fluids with chemical preservatives. It is a process of sanitation, restoration and the temporary preservation. Embalming is not required by law, but it is our funeral home policy to insist on embalming if visitation is to be public, and an open casket. Our professional Funeral Directors will make recommendations based on the condition of the body and circumstances regarding the ceremony or rite.
- **Facilities for preparation, embalming, shelter of remains** - Shelter of remains at our facilities from the time of initial transfer, until the time of disposition.
- **Staff services for visitation/ceremony**– Staff to coordinate and oversee the visitation (informal gathering)/ceremony or memorial service.

- **Scattering of cremated remains** – We will scatter cremated remains in accordance with Ontario and municipal laws and by-laws on land. Our staff fee for scattering in open water or on land is \$200.
- **Professional restorative procedures** – In some circumstances, additional restorative efforts beyond those captured in the standard embalming procedure are necessary to enhance the appearance of the deceased. In such cases, the funeral director will discuss the available options and their cost. Professional restorative procedures will be charged at a rate of \$295 per hour.

Explanation of disbursements

- **Municipal death registration fee** – This fee is charged by local municipal government to register death.
- **Clergy honorarium** – This is an amount of money paid to the clergy for their services.
