- **Embalming of remains** – (In addition to basic preparation of remains) Embalming is the process of replacing blood and bodily fluids with chemical preservatives. It is a process of sanitation, restoration and the temporary preservation. Cryptocurrency

As the leader in alternative funeral services in Ontario we are pleased to announce that Tranquility Burial & Cremation Services is the first funeral home in Canada to accept the following cryptocurrencies, (Bitcoin, Cash, Ethereum, Litecoin, Monero, Dash). We can only accept cryptocurrency for at time of need services and merchandise, not including cremation fees or other disbursements. We cannot accept cryptocurrency for pre-payment of our services.

How It Works

The total amount of the services, merchandise, plus H.S.T, in Canadian dollars will then be calculated via cryptocurrency exchange rates into the cryptocurrency of your choice. We will then accept that cryptocurrency as payment.

Why use Cryptocurrency as Payment?

We believe that cryptocurrency will play a large role in the future of alternative banking and payment methods. This payment method is much simpler and favorable for the consumer than traditional payment methods. As part of our business model vision of pioneering alternative non-traditional ways of caring for your loved one, we feel that accepting cryptocurrency is an extension of that pioneering vision. As an incentive to the families we serve, we are glad to be able to offer a 25% discount off of all of our services and merchandise before H.S.T is applied.

Please feel free to call or talk to your Funeral Director in person about cryptocurrency payment options, we are here to help make things easier in every way.

Prepayment

Prepayment is when you pre pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

- **Trust** – You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when services and supplies are delivered) or the contract is cancelled.

(Additional information about our payment options is available upon request)
